INDEPENDENT AUDITOR'S REPORT

To the Members of Delhivery Singapore Pte LTD

Opinion

We have audited the standalone financial statements of **Delhivery Singapore Pte Ltd., incorporated in SINGAPORE ('the Company'), subsidiary of Delhivery Limited,**. These standalone financial statements are prepared by the management in accordance with the measurement and recognition principles of Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rule, 2015. These standalone financial statements comprises of Balance Sheet as at 31st March 2022, Profit and Loss statement for the period of 12 months ended on 31st March 2022, statement of changes in equity and statement of cash flows and summary of significant accounting policies along with necessary and related notes.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying standalone financial statements have been prepared, in all material respects, in accordance with the of Indian Accounting Standards specified under section 133 of the Companies Act 2013 ("the Act"), read with of the Companies (Indian Accounting Standards) Rules, 2015, as amended.

Basis for Opinion

We have conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Jain Adesh and Associates

CHARTERED ACCOUNTANTS

GSTN:07AAEPJ1454B1ZA

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the standalone Financial Statements

The Company's Board of Directors is responsible for preparation of these standalone financial statements in accordance with the accounting principles including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (to the extent applicable), as amended that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors

in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of S. 143(11) of the Act, we give in the "Annexure A", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Sec. 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) Since company does not have any branch office, therefore no requirement to report on the accounts of any branch office.
 - (d) The Balance Sheet, the Statement of Profit and Loss & Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (e) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified u/s. 133 of the Act read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (f) In our opinion, there are no observations or comments on financial transactions or matters which have any adverse effect on the functioning of the company.
 - (g) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Sec. 164 (2) of the Act.
 - (h) In our opinion, there is no qualification, reservation, or adverse remark relating to the maintenance of accounts & other matters connected therewith.

(i) Clause (i) of sub section (3) of section 143 shall not apply to a private company:

- (a) Which is a small company or one person company or
- (b) Which has turnover less than rupees fifty crores as per latest audited financial statements and which has aggregate borrowings from banks or financial institutions or anybody corporate at any point of time during the financial year less than rupees twenty five crores.

Accordingly we do not require reporting on Company's internal financial control.

(j) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company does not have any pending litigations which would impact its financial position as at 31st March 2022.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31st March 2022.
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the company during the year ended on 31st March 2022.

3. Based upon the audit procedures performed and the information and explanations given by the management, the managerial remuneration has been paid or provided in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
4. The company has not declared any dividend during the year ended on 31st March 2022

(All amount in INR Millions unless otherwise stated)

12. Significant accounting judgements, estimates and assumptions

The preparation of the standalone summary statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated summary statements:

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone summary statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the standalone summary statement of assets and liabilities cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

13. Details of dues to micro and small as defined under MSMED Act 2006

The Company had no supplier for the year ended 31 March 2022 and hence, "The Micro, Small and Medium Enterprises Development Act, 2006" is not applicable.

14. Contingent liability

The Company does not have any contingent liability as on 31 March 2022.

Delhivery Singapore Pte. Ltd.
Annexure V- Notes to the Standalone Summary Statements
(All amount in INR Millions unless otherwise stated)

15. Fair values

Financial instrument by category

The carrying value and fair value of financial instruments by categories as of 31 March 2022 were as follows:

Particulars	Amortised cost	Financial assets/ liabilities at fair value through profit or loss		Total carrying value	Total fair value
		Designated upon initial recognition	Mandatory		
Assets:					
Cash and cash equivalents (refer note 3)	98.95	-	-	98.95	98.95
Total	98.95	-	-	98.95	98.95
Trade payables (refer note 6)	-	-	-	-	-
Other financial liabilities (refer note 7)	-	-	-	-	-
Total	-	-	-	-	-

The following methods / assumptions were used to estimate the fair values:

- The carrying value of trade receivables, cash and cash equivalents, trade payables and other current financial assets and other current financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments.
- The fair value of non-current financial assets and financial liabilities are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used does not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.

15 b. Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Financial risk management

Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer.

Risk management is carried out by senior management for cash and cash equivalent, trade receivable, deposits with banks, foreign currency risk exposure and liquidity risk.

Liquidity risk

Ultimate responsibility for liquidity risk management rests with the Board, which has established an appropriate liquidity risk management framework for the management of the Company's short, medium and long-term funding and liquidity management requirements. The Company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations. The Company manages liquidity risk by maintaining adequate cash reserves, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

The table below provides details regarding the contractual maturities of significant financial liabilities as at 31 March 2022:

Particulars	Less than 1 year	1-5 year	> 5 years	Total
Trade payables	-	-	-	-

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company's objectives when managing capital are to:

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders; and
- Maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital by regularly reviewing the capital structure. As a part of this review, the Company considers the cost of capital and the risks associated with the issued share capital. In the opinion of the Directors, the Company's capital risk is low.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2022

DELHIVERY SINGAPORE PTE LTD.

Notes forming part of Ind AS Financial Statements for the period of 12 months ended as on 31st March, 2022

Summary of Significant Accounting Policies:

The company's financial statements are prepared in accordance with Ind AS and in accordance with Revised Schedule III of companies Act 2013. We have audited the standalone financial statements for the period of 12 months ended on 31st March 2022.

Those principles considered significant are detailed below;

1.1 BASIS OF PREPARATIONS OF FINANCIAL STATEMENTS / ACCOUNTING CONVENTION

The financial statements have been prepared under the historical cost convention on accrual basis of accounting in accordance with the of Indian Accounting Standard ("Ind AS") and comply with the mandatory accounting standards as notified under the said Companies (Accounting Standards) Rules 2015, to the extent applicable, and in accordance with the provisions of the Companies Act, 2013.

Previous year figures are regrouped & reclassified, wherever, necessary to make it comparable from current year figures.

1.2. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian Accounting Standard (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses, assets and liabilities and the disclosure of contingent liabilities on the date of financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.3. FIXED ASSETS AND DEPRECIATION

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incurred to bring the asset to its present location and condition.

Fixed assets under construction, advance paid towards acquisition of Fixed assets and cost of assets not ready for intended use before the yearend are disclosed as capital work in progress.

Depreciation is provided on the basis of useful life of various tangible assets as specified in Schedule II of the Companies Act, 2013. Since all assets were fully depreciated by following straight line method at rates specified in Schedule II of the Companies Act, 2013.

1.4. IMPAIRMENT OF ASSETS

The carrying amounts of the assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each balance sheet date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the profit and loss account. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

1.5. EMPLOYEES BENEFIT

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensation absences and bonus, etc., are recognized in the period in which the employee renders the related services.

Long Term Employee Benefits;

The Company's leave benefits constitute other long term employee benefits. Other long term employee benefits are recognized as expenses in the profit and loss account for the period in which the employee has rendered services. Estimated liability on account of long term benefits is actuarially determined based on the projected unit credit method using the yield on government bonds, as on the date of balance sheet as the discounting rate. Actuarial gains and losses are charged to the Profit and Loss Account.

The Liability in respect of employees benefit is being segregated into current and non- current on the basis of Actuarial Certificates.

1.6. REVENUE RECOGNITION

Revenue is measured at the fair value of the consideration received or receivable.

Rendering of Services

Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract, when the outcome of the transaction and related revenue and cost can be measured reliably, and that economic benefit flows to the entity.

1.7. PROVISIONS AND CONTINGENCIES

The company creates a provision where there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.8. TAXATION

Income Tax Expenses comprises current tax/ and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates and tax laws that have been enacted or substantively enacted by balance sheet date.

Deferred tax assets are recognized only to the extent that there is a reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realized.

1.9. EARNING PER SHARE

Basic Earnings per Share is computed using the weighted average number of equity shares outstanding during the year.

Diluted Earnings Per Share is computed using the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares, except where the results would be anti-dilutive.

Note-2.1 Description of Company

The company "DELHIVERY SINGAPORE PTE LTD. was incorporated on 02nd August 2021 under the laws of the Singapore. The company is subsidiary of Delhivery Limited (formerly known as Delhivery Private Limited). The company gives logistics services.

2.2 Capital Stock and Ongoing Capital Needs:

Nil

2.3 Income Taxes

For the period of 12 months ended on 31st March 2022, the company's loss is INR (in millions) 0.13/-, USD (in millions) 0.00/-.

2.4 Deferred Taxation:

The company has adopted the Indian Accounting Standards (Ind AS 114) "Regulatory Deferral Accounts" issued by the Institute of Chartered Accountants of India. There were no deferred tax assets / liabilities during the period. Provision for current tax is made after taking into consideration, benefits admissible under the provisions of Income Tax Act, 1961.

2.5 Regrouping of Previous Year Numbers

Previous year Numbers are regrouped and reclassified where ever necessary to make it comparable with current numbers.

2.6 Fair Value of Financial Instruments

Cash equivalents and accounts receivables are carried at cost as this approximates fair value due to their short term nature. The fair value of liabilities and debts are carried at cost as their approximate fair value due to their short term nature.

2.7 Segment Reporting:

The company does not have any reportable segment as per Ind AS 108 "Operating Segment".

2.8 Contingent Liabilities & commitments (to the extent not provided for):

Contingent Liabilities

- Claims against the Company not acknowledged as debts INR Nil (P.Y. NA)
- Guarantees INR Nil (P.Y. NA)

- Other money for which the Company is contingently Liabe INR Nil (P.Y. NA)

Commitments

- Estimated amount of contracts remaining to be executed
On capital account and not provided for INR Nil (P.Y. NA)
- Uncalled liability on shares and other investment partly paid INR Nil (P.Y. NA)
- Other commitments- INR Nil (P.Y. NA)

2.9 Additional information disclosed herewith:-

1. The debit & credit balances outstanding in the accounts of various parties are subject to confirmation by the parties concerned.
2. In the opinion of the management, the current assets, loans and advances have the value, which on realization in the ordinary course of business would at least be equal to that at which the same have been stated in the Balance Sheet.
3. The company has no supplier during the period so "The Micro, Small and Medium Enterprises Development Act, 2006" is not applicable.

2.10 Additional Information with respect to Events Occurring after Balance Sheet Date;

Subsequent to the year ended March 31,2022, the Holding Company (M/s. Delhivery Limited) has completed its Initial Public Offer (IPO) of 10,74,97,225 equity shares of face value of Re. 1 each at an issue price of Rs. 487 per share (including a share premium of Rs. 486 per share). A discount of Rs. 25 per share was offered to eligible employees bidding in the employee's reservation portion of 46,020 equity shares. The issue comprised of a fresh issue of 8,21,37,328 equity shares aggregating to Rs. 40,000.00 Millions and offer for sale of 2,53,59,897 equity shares by selling shareholders aggregating to Rs. 12,350.00 Millions. Pursuant to the IPO, the equity shares of the Holding Company (M/s. Delhivery Limited) were listed on National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) on May 24, 2022.
