Independent Auditor's Report on the Quarterly and Year to Date Audited Standalone Financial Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To
The Board of Directors of
ORION SUPPLY CHAIN PRIVATE LIMITED

Report on the audit of the Standalone Financial Results

Opinion

We have audited the accompanying statement of quarterly and year to date standalone financial results of **ORION SUPPLY CHAIN PRIVATE LIMITED (OSCPL)** for the quarter ended March 31, 2022 and for the year ended March 31, 2022 ("Statement"), attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").

In our opinion and to the best of our information and according to the explanations given to us, the Statement:

- i. is presented in accordance with the requirements of the Listing Regulations in this regard; and
- ii. gives a true and fair view in conformity with the applicable Indian accounting standards and other accounting principles generally accepted in India, of the net profit (for the year ended 31 March, 22)/loss (for the quarter ended 31 March, 22) and other financial information of the Company for the quarter ended March 31, 2022 and for the year ended March 31, 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Standalone Financial Results" section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Management's Responsibilities for the Standalone Financial Results

The Statement has been prepared on the basis of the standalone annual financial statements. The Board of Directors of the Company are responsible for the preparation and presentation of the

Statement that gives a true and fair view of the net profit(for the year ended 31 March, 22)/loss (for the quarter ended 31 March, 22) of the Company and other financial information in accordance with the applicable accounting standards prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Statement, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the Statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the Statement.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal

financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Statement, including the disclosures, and whether the Statement represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matter

The Statement includes the results for the quarter ended March 31, 2022 being the balancing figure between the audited figures in respect of the full financial year ended March 31, 2022 and the audited year-to-date figures up to the third quarter of the current financial year.

INDEPENDENT AUDITOR'S REPORT

To the Members of ORION SUPPLY CHAIN PRIVATE LIMITED (OSCPL)

Opinion

We have audited the standalone financial statements of ORION SUPPLY CHIAN PRIVATE LIMITED (OSCPL) incorporated on 16th December 2019 under companies Act, 2013 (CIN: U63030DL2019PTC358458) ('the Company'). These standalone financial statements are prepared by the management in accordance with the measurement and recognition principles of Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standard) Rule, 2015. These standalone financial statements comprises of Balance Sheet as at 31st March 2022, Profit and Loss statement for the period of 12 months ended on 31st March 2022, statement of changes in equity and statement of cash flows and summary of significant accounting policies along with necessary and related notes.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit/loss including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We have conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the standalone financial statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the standalone Financial Statements

The Company's Board of Directors is responsible for preparation of these standalone financial statements in accordance with the accounting principles including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 (to the extent applicable), as amended that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect

a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors

ORION SUPPLY CHAIN PRIVATE LIMITED (OSCPL):
Notes forming part of Ind AS Financial Statements for the period of 12 months ended as on 31st March, 2022

Summary of Significant Accounting Policies:

The company's financial statements are prepared in accordance with Ind AS and in accordance with Revised Schedule III of companies Act 2013. We have audited the standalone financial statements for the period of 12 months ended on 31st March 2022.

Those principles considered significant are detailed below;

1.1 BASIS OF PREPARATIONS OF FINANCIAL STATEMENTS / ACCOUNTING CONVENTION

The financial statements have been prepared under the historical cost convention on accrual basis of accounting in accordance with the of Indian Accounting Standard ("Ind AS") and comply with the mandatory accounting standards as notified under the said Companies (Accounting Standards) Rules 2015, to the extent applicable, and in accordance with the provisions of the Companies Act, 2013.

Previous year figures are regrouped & reclassified, wherever, necessary to make it comparable from current year figures.

1.2. USE OF ESTIMATES

The preparation of financial statements in conformity with Indian Accounting Standard (Ind AS) requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses, assets and liabilities and the disclosure of contingent liabilities on the date of financial statements. Actual results could differ from those estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

1.3. FIXED ASSETS AND DEPRECIATION

Fixed Assets are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incurred to bring the asset to its present location and condition.

Fixed assets under construction, advance paid towards acquisition of Fixed assets and cost of assets not ready for intended use before the year end are disclosed as capital work in progress.

Depreciation is provided on the basis of useful life of various tangible assets as specified in Schedule II of the Companies Act, 2013.

1.4. IMPAIRMENT OF ASSETS

The carrying amounts of the assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount of the asset is estimated. For assets that are not yet available for use, the recoverable amount is estimated at each balance sheet date. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the profit and loss account. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, if no impairment loss had been recognized.

1.5. EMPLOYEES BENEFIT

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, wages, short term compensation absences and bonus, etc., are recognized in the period in which the employee renders the related services.

Long Term Employee Benefits;

The Company's leave benefits constitute other long term employee benefits. Other long term employee benefits are recognized as expenses in the profit and loss account for the period in which the employee has rendered services. Estimated liability on account of long term benefits is actuarially determined based on the projected unit credit method using the yield on government bonds, as on the date of balance sheet as the discounting rate. Actuarial gains and losses are charged to the Profit and Loss Account.

The Liability in respect of employees benefit is being segregated into current and non-current on the basis of Actuarial Certificates.

1.6. REVENUE RECOGNITION

Revenue is measured at the fair value of the consideration received or receivable.

Rendering of Services

Revenue from a contract to provide services is recognized by reference to the stage of completion of the contract, when the outcome of the transaction and related revenue and cost can be measured reliably, and that economic benefit flows to the entity.

1.7. PROVISIONS AND CONTINGENCIES

The company creates a provision where there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources. When there is a possible obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.8. TAXATION

Income Tax Expenses comprises current tax/ and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognized using the tax rates and tax laws that have been enacted or substantively enacted by balance sheet date.

Deferred tax assets are recognized only to the extent that there is a reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonably / virtually certain (as the case may be) to be realized.

1.9. EARNING PER SHARE

Basic Earnings per Share is computed using the weighted average number of equity shares outstanding during the year.

Diluted Earnings Per Share is computed using the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares, except where the results would be anti-dilutive.

1.10. SEBI Notes

a) These results have been prepared in accordance with the Indian Accounting Standard specified in Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time.

b) These results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 27th May, 2022. The statutory auditors have expressed an unmodified audit opinion on these results.

Nature and purpose of Reserves

Foreign currency translation reserve

Exchange differences arising on translation of the foreign operations are recognised in other comprehensive income as described in accounting policy and accumulated in a separate reserve within equity. The cumulative amount is reclassified to profit or loss when the net investment is disposed-off.

Retained Earning

Retained earnings represents the losses that the Company has incurred till date less any transfer to general reserve, less any dividend, or other distributions paid to share holders. Retained earnings is a free reserve available to the Company and eligible for distribution to shareholders, in case where it is having positive balance representing net earnings till date.

22. Significant accounting judgements, estimates and assumptions

The preparation of the standalone summary statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Judgements

In the process of applying the accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the consolidated summary statements:

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone summary statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the standalone summary statement of assets and liabilities cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

Useful Life of property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment loss, if any. Such cost includes the cost of replacing part of the plant and equipment. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognised in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognised in profit or loss as incurred.

Depreciation on all property plant and equipment are provided on a written-down value method based on the estimated useful life of the asset. The management has estimated the useful lives and residual values of all property, plant and equipment and adopted useful lives based on management's assessment of their respective economic useful lives. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate. Depreciation on the assets purchased during the year is provided on pro-rata basis from the date of purchase of the assets. An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on Derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the standalone summary statement of profit and loss when the asset is derecognised.

Loss allowance on trade receivables:

Provision for expected credit losses of trade receivables and contract assets. The Company uses a provision matrix to calculate ECLs for trade receivables and contract assets. The provision rates are based on days past due for Companyings of various customer segments that have similar loss patterns (i.e., by geography, product type, customer type and rating, and coverage by letters of credit and other forms of credit insurance). The provision matrix is initially based on the Company's historical observed default rates. The Company will calibrate the matrix to adjust the historical credit loss experience with forward-looking information. For instance, if forecast economic conditions (i.e., gross domestic product) are expected to deteriorate over the next year which can lead to an increased number of defaults in the manufacturing sector, the historical default rates are adjusted. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed. The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and of forecast economic conditions. The Company's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future. The information about the ECLs on the Company's trade receivables and contract assets is disclosed in Note 4. The Company considers a financial asset in default when contractual payments are 90 days past due. However, in certain cases, the Company may also consider a financial asset to be in default when internal or external information indicates that the Company is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Company. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows

23. Details of dues to micro and small as defined under MSME Act 2006

The Company had no supplier for the year ended 31 March 2022 and 31 March, 2021 and hence, "The Micro, Small and Medium Enterprises Development Act, 2006" is not applicable.

24. Contingent liability

The Company does not have any contingent liability as on 31 March 2022 and 31 March 2021.

26. Fair values

Financial instrument by category

The carrying value and fair value of financial instruments by categories as of 31 March 2021 were as follows:

Particulars	Amortised cost	Financial assets/ liabilities at fair value through profit or loss		Total carrying value	Total fair value
		Designated upon initial	Mandatory		
Assets:					
Trade receivables (refer note 4)	12.25	-	-	12.25	12.25
Other financial assets (refer note 6)	217.96	-	-	217.96	217.96
Cash and cash equivalents (refer note 3)	10.31	-	-	10.31	10.31
Total	240.52	-	-	240.52	240.52
Trade payables (refer note 6)	216.85	-	-	216.85	216.85
Total	216.85	-	-	216.85	216.85

The carrying value and fair value of financial instruments by categories as of 31 March 2022 were as follows:

Particulars	Amortised cost	Financial assets/ liabilities at fair value through profit or loss		Total carrying value	Total fair value
		Designated upon initial	Mandatory		
Assets:					
Cash and cash equivalents (refer note 3)	10.87	-	-	10.87	10.87
Other financial assets (refer note 6)	72.35	-	-	72.35	72.35
Trade receivables (refer note 4)	0.43	-	-	0.43	0.43
Total	83.64	-	-	83.64	83.64
Trade payables (refer note 6)	131.48	-	-	131.48	131.48
Total	131.48	-	-	131.48	131.48

The following methods / assumptions were used to estimate the fair values:

- The carrying value of trade receivables, cash and cash equivalents, trade payables and other current financial assets and other current financial liabilities measured at amortised cost approximate their fair value due to the short-term maturities of these instruments.
- The fair value of non-current financial assets and financial liabilities are determined by discounting future cash flows using current rates of instruments with similar terms and credit risk. The current rates used does not reflect significant changes from the discount rates used initially. Therefore, the carrying value of these instruments measured at amortised cost approximate their fair value.

26 b. Fair value hierarchy

The following table provides the fair value measurement hierarchy of the Company's assets and liabilities.

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

Financial risk management

Financial risk factors

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer.

Risk management is carried out by senior management for cash and cash equivalent, trade receivable, deposits with banks, foreign currency risk exposure and liquidity.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, foreign currency risk and other price risk, such as equity price risk and commodity risk. The Company ensures optimization of cash through fund planning and robust cash management practices.

Capital management

For the purpose of the Company's capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company's objectives when managing capital are to:

- Safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders; and
- Maintain an optimal capital structure to reduce the cost of capital.

The Company monitors capital by regularly reviewing the capital structure. As a part of this review, the Company considers the cost of capital and the risks associated with the issued share capital. In the opinion of the Directors, the Company's capital risk is low.

No changes were made in the objectives, policies or processes for managing capital during the year ended 31 March 2022 and 31 March 2021
